

PREFINISHED VALUE SERIES

Close the door to the old "standard" of Utility, and open your sales to **Prefinished Value Series**. Built to perform and priced to make you more profit. The Prefinished Value Series Program lets you sell a better door, for less. -Less time, less effort and most importantly less worry.

A BETTER PRODUCT FOR YOU. A BETTER DOOR FOR YOUR CUSTOMERS.

- A)** Thicker, Stronger 24GA Prefinished Polytech Steel
- B)** Polyurethane Insulation Strengthens The Core Of The Door
- C)** Prefinished White PVC & Pine Frame (Water & Weatherproof)
- D)** Thermally Broken Aluminum Sill

THE DIFFERENCE IS EASY

UTILITY

- Primed Steel (*must paint for warranty*)
- Requires ongoing maintenance
- Not Energy Star Certified

- Primed Finger-jointed Pine
 - Primed Interior and Exterior
- *Paint and Maintenance Required*

PREFINISHED VALUE SERIES

- Prefinished Steel that's maintenance free
- No paint -saves time and money
- Energy Star Certified
- Distinguish yourself from the Big Box
- More margin
- More versatility

- Maintenance Free
- Water & Weather Proof
- No Paint Required

The durability of a PVC window on the outside and the versatility of wood on the inside.

This program offers pricing to keep you competitive and training to keep you up to date. Talk to your rep about training today.

GARAGE / SHED / FRONT DOOR / SIDE DOOR
